 Saint Louis
COUNTY 
**PROSECUTING
ATTORNEY**

In Their Shoes: Teens and Dating Violence is geared to high school aged participants or older. Originally developed by the Washington State Coalition on Domestic Violence, *In Her Shoes* is an interactive exercise designed to allow teens and adults the opportunity to walk "in the shoes" of women experiencing violence and to learn more about the dynamics of dating violence.

A debriefing and discussion with Saint Martha's staff and the St. Louis County Prosecutor's Office will follow.
